WHERE INNOVATION MEETS COMFORT

Welcome to MSB Mobility, where innovation meets comfort. Our mobility scooters feature the latest technology, cutting-edge design, and exceptional comfort to make every journey easier. With sleek, modern aesthetics and advanced features, our scooters are built to provide you with unmatched reliability and style. Whether you're navigating city streets or enjoying a leisurely ride, MSB Mobility ensures you do it with confidence and ease. Explore our range today and experience the future of mobility.

Advanced Technology

Each of our scooters is built with state-of-the-art technology to ensure reliability, efficiency, and ease of use. From long-lasting batteries to user-friendly controls, we prioritize the latest innovations to keep you moving.

Cutting-Edge Designs

Our scooters feature modern, sleek designs that blend functionality with style. Whether you're looking for a compact model for urban mobility or a larger scooter for long-range comfort, we have the perfect option to suit your needs.

Unmatched Comfort

We believe in delivering a smooth, comfortable ride, no matter the terrain. Our scooters come with adjustable seating, high-quality suspension systems, and ergonomic controls to reduce strain and improve your overall experience.

Peace of Mind with Every Purchase

When you buy an MSB Mobility Scooter, you can rest easy knowing you're covered with our standard 12-month free warranty. Plus, enjoy 12 months of roadside assistance, so you're never alone when you're out on the road.

SMART FEATURES

We are always innovating and improving, in our mark 2 release - we have upgraded many aspects of our models to ensure we are always at the peak of Mobility Scooter technology and advancement.

MSB scooters are not just next level in design, but also features. Our fully digital upgraded mark 2 head units are smart, functional and efficient.

In our mark two release, we have upgraded our hydraulic suspension systems to ensure the smoothest possible ride and maximum comfort. In addition, we have upgraded to ultra bright future proof L.E.D lights.

Your security is priority, that is why we have introduced state of the art GPS tracking to all of our models, enabling you to track the location of your scooter any time of the day. (Optional upgrade)

MSB is at the forefront of delivering the very latest in Mobility Scooter technology. We have introduced keyless / wireless NFC fob start to all of our models, to save finding your keys when in a rush.

EXTRA SUPPORT

At MSB Mobility Scooters, we understand that choosing the right scooter is only the beginning of your journey. That's why every new MSB Mobility Scooter comes with a complete support package designed to give you peace of mind, long after your purchase.

12 MONTHS WARRANTY

Your new scooter is built to last, and our 12-month manufacturer's warranty ensures you're protected against unexpected faults or issues. If something doesn't perform as it should, we'll put it right – so you can focus on enjoying your independence, not worrying about repairs.

12 MONTHS BREAKDOWN ASSISTANCE WITH AUTOHOME

We know how important it is to feel confident when you're out and about.

That's why we've partnered with Autohome, a trusted name in mobility support, to provide 12 months of breakdown assistance. Whether you're close to home or further afield, trained professionals are on hand to get you moving again quickly, giving you complete reassurance every time you use your scooter.
